The new Scirocco

THE NEW SCIROCCO. DISCOVER LIFE IN THE FAST LANE.

There's nothing wrong with wanting it all now, seizing the opportunity and living for today. And what greater adrenalin rush could you ask for than driving the new Scirocco? With its sports performance, dynamic handling, latest technology and luxurious interior, it's the full package, designed to get your pulse racing like never before. If you're looking for energy, excitement and exhilaration, you need to experience the new Scirocco.

THE PERFORMANCE HAS BEGUN.

The new Scirocco is more powerful, sportier and dynamic than ever. A wider front bumper with aerodynamic 'blades' and reworked front grille with the legendary honeycomb structure emphasise its restyled design, while the Volkswagen badge, sitting flush on the bonnet, highlights its character and build quality.

LEAVES THE OTHERS STANDING.

The redesigned rear is more stylish than ever. A re-profiled, lower bumper takes it closer to the road, while the roof spoiler and rear diffuser enhance its dynamic lines, giving it a sportier signature, and reshaped LED lights emphasise its athletic design, especially at night. Even the rear Volkswagen badge now has a new function, doubling as a tailgate release handle.

ONCE INSIDE, YOU WON'T WANT TO GET OUT.

Inside the new Scirocco Sport, the stylish new dashboard features sports instrument dials, complemented by stainless steel sport pedals and aluminium inserts in the stylish leather trimmed three-spoke multifunction steering wheel, gear knob and handbrake grip. Driver's and front passenger's sports seats are finished in contemporary 'Greg' cloth with Alcantara side bolsters, and thanks to the multifunction steering wheel, you can take phone calls and use the RCD 310 radio system without taking your hands off the wheel. For added assistance, the multifunction display 'Plus' provides useful information such as average and current fuel consumption, journey time, outside temperature and range left in the fuel tank. And finally, with cruise control, Bluetooth telephone connectivity* and Park Distance Control (PDC) with front and rear parking sensors adding increased comfort, why would you ever want to get out?

* Please note that due to the nature of mobile phone technology, not all phones will be compatible with Volkswagen systems. Please check with your Volkswagen dealer for details on compatibility.

FEEL THE POWER. ENJOY THE ECONOMY.

Under the bonnet are four new turbocharged direct-injection petrol and diesel engines, with a choice of six speed manual or six speed auto DSG gearboxes. Despite an increase in power across the range from the outgoing model's engines, efficiency is up by 19%, with engines returning between 4.2 and 6.4 ltr/100km on the Combined fuel cycle*, which means you can enjoy fast acceleration and save fuel on long trips.

Standard on all models, sports instrument dials on the dashboard pay tribute to the original 1974 Scirocco, enabling you to keep an eye on the oil temperature and turbo boost pressure, and use the multifunction stopwatch to measure stationary and driving times.

* Please see pages 30-31 for CO₂ emissions and fuel consumption figures.

ON-BOARD INTELLIGENCE HELPS KEEP YOU SAFE.

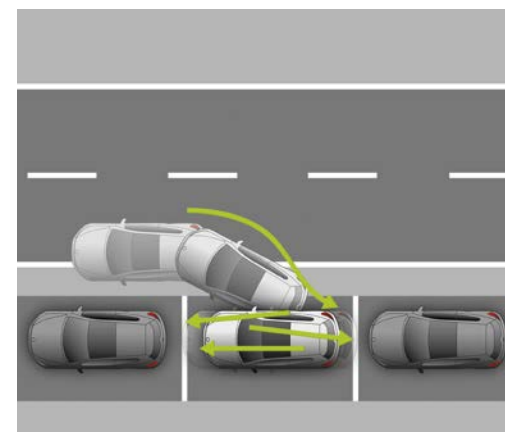

The new Scirocco may be sporty and exciting, but it's also very relaxing to drive, thanks to a range of standard and optional driver assistance systems. While you concentrate on driving, Adaptive Chassis Control (ACC) lets you decide at the touch of a button, how firm or comfortable you wish to set the suspension, with a choice of three settings: Sport, Comfort or Normal. Parking in challenging spaces is child's play thanks to the 'Park Assist'* with front and rear Park Distance Control (PDC), while the rear-view camera 'Rear Assist' transmits a live view of the rear of your vehicle to the audio system's display. In addition a hill hold function, fitted as standard, helps you pull away safely when on a hill or slope, and a tyre pressure loss indicator will alert you to any loss of pressure in the tyres via a warning notification in the dashboard.

* Please note, must be ordered in conjunction with RCD 510 radio system, RNS 315 navigation/radio system or RNS 510 DVD navigation/radio system.

Park Distance Control (PDC) with front and rear parking sensors assist with parking manoeuvres by emitting audible and visual warnings, alerting the driver to any obstacles in the way: the closer you are to an obstacle the faster the sound frequency. An additional parking display indicates your position on the display of the vehicle's audio system. Standard on Scirocco Sport models.

Image shown features optional RNS 315 navigation/radio system.

Parallel 'Park Assist' including Park Distance Control (PDC) helps you parallel and bay park using ultrasonic and audible parking sensors. Once the vehicle is in reverse, all the driver has to do is operate the accelerator and brake, and keep a look-out, while the Scirocco steers itself into its chosen space. Optional on all models.

The **rear-view camera 'Rear Assist'*** helps you reverse park, giving you a clear view to the rear of your vehicle via the vehicle's audio system display. Thanks to the high resolution detail, even small obstacles such as kerbs can be clearly recognised and avoided. Optional on all models.

* Please note, must be ordered in conjunction with RCD 510 radio system, RNS 315 navigation/radio system or RNS 510 DVD navigation/radio system.
Image shown features optional RNS 315 navigation/radio system.

Adaptive Chassis Control (ACC) gives you the choice to select Sport, Comfort or Normal suspension settings for your journey with a touch of a button, and adapts the damping control and shock absorption rate to the road conditions and driving style you require within milliseconds. Optional on Scirocco Sport models.

ALLOYS.

- 01 'Long Beach' 7J x 17" alloy wheels with 205/50 R17 tyres* // Standard on Scirocco
- 02 'Lisboa' 8J x 18" alloy wheels with 235/40 R18 tyres // Standard on Scirocco Sport
- 03 'Interlagos' 8J x 18" alloy wheels with 235/40 R18 tyres // Optional on Scirocco Sport
- 04 'Salvador' 8J x 18" alloy wheels with 235/40 R18 tyres // Optional on Scirocco Sport†
- 05 'Talladega' 8J x 19" alloy wheels with 235/35 R19 tyres // Optional on Scirocco Sport‡

* Standard on Scirocco 1.4 TSI 125HP models. 2.0 TDI 150HP models feature 225/45 R17 tyres as standard.

† 18 inch 'Salvador' alloy wheels are only available as part of optional R-Line pack (WIE/WIN).

‡ 19 inch 'Talladega' alloy wheels are only available in conjunction with optional R-Line pack (WIE/WIN).

R-Line pack

THE SCIROCCO R-LINE PACK. STAND OUT FROM THE CROWD.

Sporty, fun and refined, the optional Scirocco R-Line pack has its own unique styling inside and out. The R-Line pack builds upon the generous standard equipment offered on the Sport, but includes additional sporty styling cues, which give it a dynamic look and a powerful road presence.

The unique **R-Line exterior styling pack** immediately attracts attention, comprising, 'R-Line' specially designed front and rear bumpers, side skirts and black painted radiator grille, which also displays the unique 'R-Line' badging. Dynamic 18 inch 'Salvador' alloy wheels and front fog lights add the finishing touch, creating a look that's sleek, stylish and unforgettable.

Inside, the R-Line styling continues with an ergonomically designed **leather trimmed three-spoke multifunction steering wheel**, gear knob and handbrake grip with aluminium inserts and 'R-Line' logo. This is complemented by stainless steel sport pedals, 'Carbon Race' decorative inserts in the dash and centre console and unique 'R-Line' door sill protectors. Image shown features optional RNS 315 touch-screen navigation/radio system and 2-Zone climatronic air conditioning.

Front sports seats feature an embossed 'R-Line' logo on the head restraints and are superbly finished in luxurious **Black R-Line 'Vienna' leather upholstery***. Heated front seats with three preset temperature settings and electrically adjustable lumbar support on the driver's and front passenger's seats helps to ensure driving comfort even on the longest journeys.

* Some parts of leather interior will contain artificial leather.

MY SCIROCCO

GENUINE ACCESSORIES.

Make the new Scirocco truly yours with our range of Genuine and Approved Accessories – all carefully selected and grouped together logically to make choosing your products as easy as possible. Most of our range comprises of Genuine Accessories developed in Germany and designed to integrate with your vehicle. Our other products are sourced from market-leading manufacturers specifically to meet your needs and offer you a wider choice. Why not ask a member of staff today about how to really make your new Scirocco your own by using Volkswagen Accessories.

NOTE

Model shows: **Semi rigid loadliner** page 24

BODY STYLING.

Details make all the difference. Add detail that will transform your new Scirocco’s appearance from sleek to sporty. Your new Scirocco already comes with enviable design and solid-build quality. But now you can enhance it further and make a statement with our range of styling accessories.

01 Volkswagen Genuine Front spoiler

Our aerodynamically designed front skirt is a sporty addition to your vehicle. It reduces front axle lift and complements the original lines of your vehicle. Made of a durable, high-quality plastic, the spoiler is primed and ready to be painted in the colour specification of your car. **1K8 071 609 GRU**

Please note: excludes painting and fitting, please consult your Volkswagen dealer for details.

02 Volkswagen Genuine Rear roof spoiler

Whether you use it on its own or as part of the overall bodykit this impact-resistant, tough yet sleek, aerodynamically designed rear roof spoiler makes a lasting impression. Primed ready to be painted in your vehicle’s colour. **1K8 071 646 GRU**

Please note: excludes painting and fitting, please consult your Volkswagen dealer for details.

03 Volkswagen Genuine Exhaust trim

The exhaust trim with 76mm diameter adds a stylish and sporty touch to the rear profile of your new Scirocco. The tapered shape and the highly polished stainless steel transform your vehicle into a true highlight! For double tailpipes 70mm. **1K8 071 646 GRU**

04 Volkswagen Genuine Side skirt set

The side skirts give a sporty look and the impression of lowered suspension. It emphasises the vehicle lines giving a dynamic side view with ground hugging contours. Made of a hard-wearing, flexible material, it is able to resist high stress, and is primed and ready for painting, to match the colour of your car. **1K8 071 685 GRU**

Please note: excludes painting and fitting, please consult your Volkswagen dealer for details.

05 Volkswagen Genuine Door sill trims

These stainless steel sill protectors enhance the appearance of your vehicle. They protect the sills against scratches from shoes and heels. With Scirocco logo. 2 pieces per set. **1K8 071 305**

TRANSPORT EQUIPMENT.

Make your new Scirocco even more practical with our specially designed set of high-quality products to complement your lifestyle. Whatever you're into, whether it's sports, the outdoors or just going on plenty of holidays, there's a large range of accessories available to help you maintain your active lifestyle. From roof boxes and bicycle holders to safety kits and more.

safety testing
CITY CRASH

01 Volkswagen Genuine Roof bars

Stay equipped when you are on the road with our City Crash-tested roof bars. They will provide the base for items such as a ski and snowboard holder, a bicycle holder, or a useful roof box for all roof transport solutions. T-slot support section. 2 pieces per set.

1K8 071 126

02 Volkswagen Genuine Roof box

The stylish Volkswagen roof box in matt black is not only superbly functional, it looks good too. Expand the carry capacity of your vehicle when you're off on holiday, or whenever you need extra space. Load capacity: 50kg, 340 litres.

000 071 200

03 Volkswagen Genuine Bicycle holder

Keep your bike safe and secure using this easy-to-fit bicycle carrier, made from matt chrome-plated steel. It attaches to the existing roof bars and can carry one bicycle safely and securely. The bicycle holder is City Crash-tested and lockable for extra peace of mind and, what's more, you can still access the boot for added convenience.

6Q0 071 128 A

04 Volkswagen Genuine Surfboard/windsurfer holder

The surfboard holder ensures that your surfboard reaches its destination safely. The windsurfer and both masts are held firmly in place by secure fastenings. Transportation is particularly gentle thanks to the rubber board support and special rubber protection for the metal clips on the retaining straps.

000 071 120 HA

05 Volkswagen Genuine Safety kit

An important travel companion no matter what country you're in. Consists of easy-to-fold warning triangle, hi-visibility vests and a first-aid bag. Conveniently packed in a washable fabric bag with loops for secure storage.

000 093 059

CARE AND PROTECTION.

If you like the idea of protecting your new Scirocco, our range of practical convenience accessories is for you. These products both protect and maintain the value of your new Scirocco, but most importantly, they make it a more comfortable drive for you too. From loadliners to clothes hangers to mudflaps, there's something for everyone.

CARE AND PROTECTION.

If you like the idea of protecting your new Scirocco, our range of practical convenience accessories is for you. These products both protect and maintain the value of your new Scirocco, but most importantly, they make it a more comfortable drive for you too. From loadliners to clothes hangers to mudflaps, there's something for everyone.

01 Volkswagen Genuine Semi rigid loadliner
This custom-made inlay fits perfectly to your vehicle boot space. The high outer edge protects against dirt and escaping fluids whilst the moulded inlay prevents movement of goods in the boot. With embossed Scirocco logo.

TECHNOLOGY.

Technical specification notes

- 01
- Figures are calculated in accordance with manufacturer’s criteria. The individual unladen weight depends on the specification of the vehicle, this then reduces the possible payload accordingly. The unladen weight and payload both include the fuel tank 90% full, driver (68kg) and luggage (7kg) in line with EU directive 95/48.
- 02
- With increasing altitude the engine performance diminishes. From 1,000m above sea level and for every 1,000m thereafter 10% of the vehicle/trailer weight (trailer weight + gross vehicle weight) must be deducted.
- 03
- The use of 100% Biodiesel (RME or FAME) is not possible. Forecourt diesel with up to 7% bio diesel content, adhering to standard BS EN 590, can be used in diesel engines. The use of ethanol in forecourt petrol meeting BS EN 228 is allowable.
- 04
- The size of the fuel tank is approximate and therefore it may be possible to add a greater amount of fuel than the size of the tank specified, due to the space in the filler neck.
- 05
- Official fuel consumption according to EU Directive 99/94. The consumption calculation according to 1999/100/EC is based on the actual unladen weight of the vehicle. Additional specifications can lead to a higher weight class and hence to consumption figures of this higher weight class. The driving style, road and traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures, which may differ from those calculated with this standard.
- 06
- The weight of a vehicle will influence the level of CO₂ emission it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂.

Engines

Front transverse-installed engine

1.4 litre/125 bhp (92 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection turbocharged engine with four valves per cylinder. Fitted with a turbocharger. Available with six speed manual transmission.

2.0 litre/220 bhp (162 kW) petrol engine: EU6 emissions standard direct injection, four cylinder in-line direct injection turbocharged engine. Fitted with four valves per cylinder and a turbocharger. Available with six speed manual or a six speed automatic DSG transmission.

2.0 litre/150 bhp (110 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line common rail diesel engine with four valves per cylinder. Fitted with a turbocharger and a DPF (diesel particulate filter). Available with a six speed manual or a six speed automatic DSG transmission.

2.0 litre/184 bhp (135 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line common rail diesel engine with four valves per cylinder. Fitted with a turbocharger and a DPF (diesel particulate filter). Available with a six speed manual or a six speed automatic DSG transmission.

Transmission

- Front wheel drive through asbestos-free single-plate dry clutch. Hydraulic clutch-mechanism. Six speed manual, six speed automatic DSG gearbox with double joint half axles (wet clutch on six speed DSG models)
- Six speed manual: 1.4 litre TSI 125 bhp, 2.0 litre TSI 220 bhp, 2.0 litre TDI 150 bhp, 2.0 litre TDI 184 bhp
- Six speed automatic DSG: 2.0 litre TSI 220 bhp, 2.0 litre TDI 150 bhp, 2.0 litre TDI 184 bhp

Running gear

- Electronic Stability Control (ESC) including Electronic Differential Lock (EDL), Traction Control (ASR) and Countersteer Support
- Front and rear anti-roll bar
- Front suspension through coil springs with telescopic shock absorbers, all elements integrated in chassis legs
- Rear suspension with gas pressure shock absorbers and separate springs
- Wheel control: front through chassis legs and (lower) triangular wishbones (directionally stabilising steering roll radius)
- Wheel control: rear through four-link suspension with independent wheel suspension

Steering

- Electro-mechanical steering rack
- Collapsible, height and lengthways adjustable safety steering column

Brakes

- Electronically controlled Anti-lock Braking System (ABS) with Electronic Brake-pressure Distribution (EBD)
- Diagonal twin-circuit brake system with front and rear disc brakes (front ventilated)
- Asbestos-free brake pads
- Hydraulic Brake Assist (HBA)

VOLKSWAGEN SERVICE.

Three-year Warranty

All Volkswagen Scirocco models come with a three-year/90,000km warranty which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/90,000km (whichever is soonest) warranty*. Full details of the three-year warranty are available from your authorised Volkswagen dealer.

* All warranty work must be completed by an authorised Volkswagen dealer or repairer.

Three-year Paintwork Warranty

The paintwork of the Scirocco is covered against manufacturing defects for a period of three years. Naturally, the Scirocco must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your Volkswagen dealer for full warranty details.

12-year Body Protection Warranty

The internal body sections and panels of the Scirocco are covered against rusting through from the inside for 12 years. Naturally, the Scirocco must be cared for in compliance with the operating instructions. Please consult your Volkswagen dealer for full warranty details.

Service Intervals for Engines

Full details of what checks and work are recommended at each service are contained in the Service Book and your dealer will be able to advise you of any particular requirements.

Approved Accessories

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list.

Volkswagen Finance

Volkswagen Finance offers a dedicated service to meet the needs of both the business user and the private motorist. We can help you choose the right type of finance and will tailor the pack age to meet your specific requirements. Please consult your Volkswagen dealer for details.

Volkswagen Assistance

Every new car is registered for Volkswagen Assistance for three years. This provides vehicle recovery in the unlikely event of a breakdown (subject to conditions).

Volkswagen Rental

For details, please contact your dealer.

CO₂ Emission

Increased weight of a vehicle, including higher trim levels and the addition of options will have an affect on the influence on the level of fuel consumption and CO₂ emissions produced. The CO₂ and fuel consumption figures are obtained from tests on a representative vehicle of the type, conducted and approved in accordance with Council Directive 80/1268/EEC as amended by Directive 1999/100/EC (or later) on the approximation of the laws of the member states relating to the carbon dioxide emissions and the fuel consumption of motor vehicles.

Please Note:

Some illustrations in this brochure do not necessarily reflect Irish specifications. Consequently, controls and some items of equipment are positioned differently for Ireland. The specifications contained in this brochure are for information purposes only as we cannot confirm the exact specifications of the vehicles. If you require any specific feature, you must consult your Volkswagen dealer who is regularly updated with any change in specification. Please check model availability and full specification details with your Volkswagen dealer prior to ordering.
