

Das Auto.

The new Caddy Life

Designed for everyday life.
**The new Caddy Life
and Caddy Maxi Life.**

**HIGH LEVELS OF FUNCTIONALITY
AND FLEXIBILITY.**

Folding, double-folding and removable rear seats, optional load-through facility, massive tailgate and wide side sliding doors.

NEW DRIVER ASSISTANCE SYSTEMS.

Adaptive Cruise Control (ACC) with Front Assist area monitoring system and City Emergency Braking System, rear-view camera and much more.

NEW DESIGN.

Sharpened lines, dynamic front and distinctive rear with integrated spoiler.

**HIGH STANDARDS
IN SAFETY.**

Automatic Post-Collision Braking System, Driver Alert System, standard front and curtain airbags and much more.

**LOW AVERAGE FUEL CONSUMPTION
AND CO₂ EMISSIONS.**

With the most economical Euro 6 2.0 litre 102HP TDI delivering up to 4.4 l/100km and CO₂ emissions of just 122g/km.

HIGH-QUALITY INTERIOR FINISH.

New, sophisticated interior design with improved interior acoustics.

**STYLISH AND ADVANCED
INFOTAINMENT SYSTEMS.**

New radios and functions, intuitive control and excellent connectivity.

**NEW GENERATION
OF ENGINES WITH THE
EURO 6 EMISSIONS
STANDARD.**

BlueMotion Technology as standard.

The perfect companion.
**The distinctive
new design.**

No matter how you look at it, the new Caddy Life impresses from every angle. Designed for life, its uncluttered contours and dynamic styling deliver a bold new stance. Clever design details such as the integrated roof spoiler, elegantly sculptured rear light clusters, stylish new side indicators, attractive Silver roof rails and a new range of alloy wheels, help distinguish it from the competition and make it the perfect companion.

Main image features 16" 'Fortaleza' alloy wheels. 6J x 16 with 205/55 R16 tyres.

Space to relax.
**A whole new level
of interior excellence.**

Seating up to seven in comfort (including the driver), the new Caddy Life has been designed to make you feel at-home. Step inside and you'll find a high-quality car-like interior that's as attractive and ergonomic as it is rugged. Of course, safety is of paramount importance, so driver and passenger front airbags and front and rear curtain airbags are fitted as standard, while younger passengers benefit from ISOFIX child seat mountings to the outer rear seats. To make every journey a pleasure, improved interior acoustics and a broad selection of radio and infotainment systems – including Bluetooth® – are also fitted as standard. In a vehicle where flexibility is key, you'll find the rear passenger area includes a host of features that make life easier. These include a range of storage solutions, folding tables for the first rear row seats and supportive, flexible seating that can be individually folded, double-folded or removed – providing numerous configurations and creating a cavernous load area that's able to cope with all that life can throw at it.

**The new radio and
infotainment systems.**

Radio and navigation.

The latest-generation devices are available with the new Caddy Life, including the Composition Colour and Composition Media radio systems, as well as the Discover Media navigation system.

Voice recognition.

The voice control system allows you to operate the telephone, navigation and audio functions without taking your hands off the steering wheel.

App-Connect.

You can easily and safely operate special apps using this interface. The screen of your smartphone can be shown on the radio system's display.

Volkswagen Media Control.

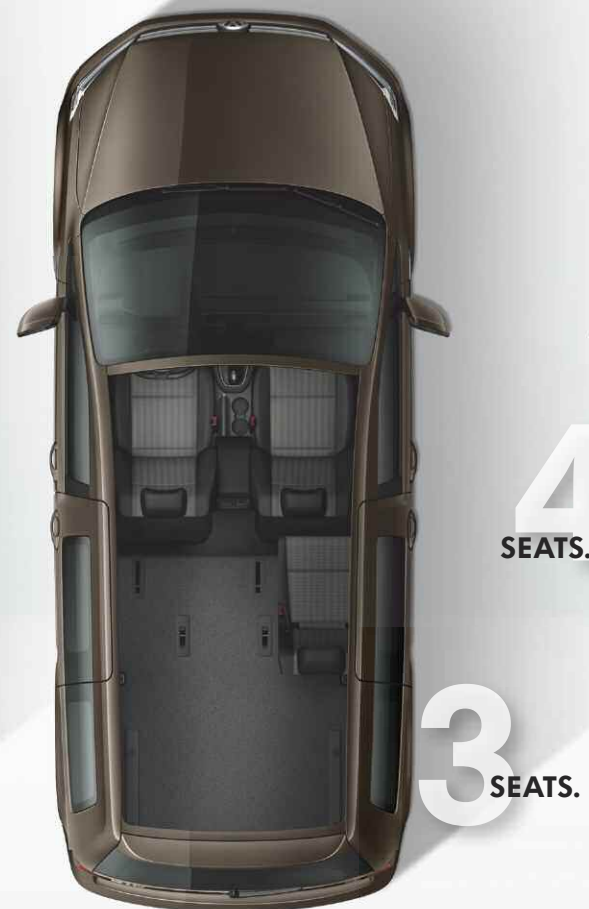

Turn your smartphone or tablet into a remote control and operate the audio system functions from the rear seats via a Wi-Fi connection.

There for every experience.
The flexible passenger compartment.

When you need to transport passengers and their luggage, we know that flexibility is key. With this in-mind, we've designed the new Caddy Life's passenger compartment to offer flexibility in abundance with seats that can be folded, double-folded or completely removed. What's more, with the optional load-through facility, the interior load length increases to an amazing 3.1m. When you also consider the low rear sill height and flat load surface, you'll discover a passenger compartment that's ready for whatever life can throw at it.

With the rear seats removed, the new Caddy Life boasts an impressive loading space volume of 3,030 litres. This increases further when the front passenger seat is folded down.

The first rear row of seats are split into a ratio of 1/3 and 2/3. This provides plenty of flexibility when transporting passengers and their luggage.

Double-folding seats on the first rear row bench provide a loading space volume of 2,852 litres.

The three-seater rear bench features ISOFIX attachment points on the outer seats – allowing the safe attachment of two child seats.

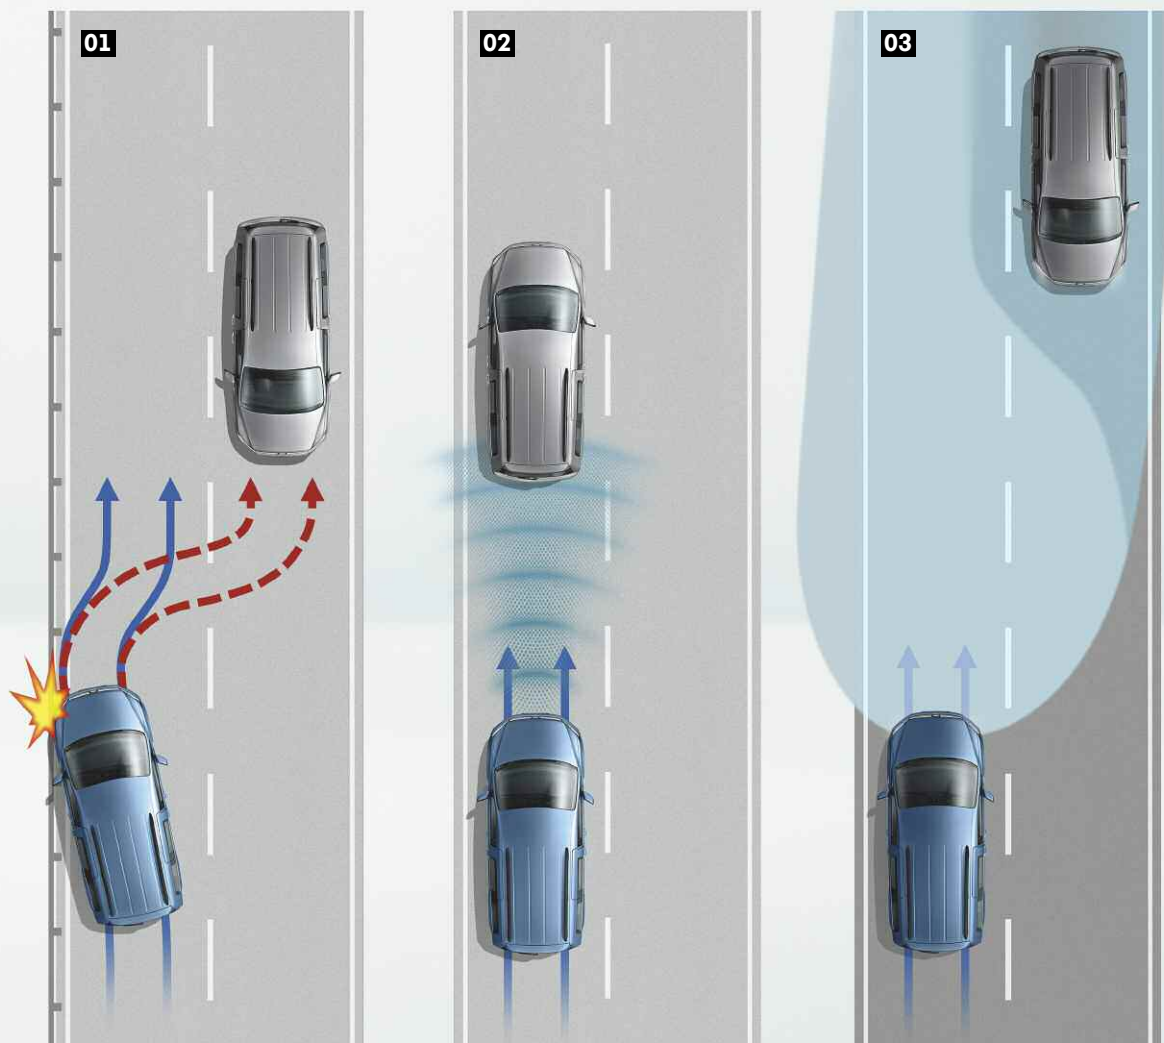

The new Caddy Maxi Life is 47cm longer than the Caddy Life. It offers an additional 340 litres of space.

Protect what's most precious. Greater assurance with the new driver assistance and safety systems.

To help ensure you reach your destination safely, the new Caddy Life is equipped with a new range of innovative driver assistance and safety systems. Each system offers additional peace-of-mind and the assurance that you're driving a vehicle that's designed firmly with safety in-mind.

01 Automatic Post-Collision Braking System. Standard on Euro 6 Caddy Life, it triggers braking after a collision, with the aim of preventing secondary collisions.

02 Adaptive Cruise Control (ACC). Optional ACC uses a sensor to measure the distance (up to 120m) and speed relative to vehicles driving ahead. It automatically regulates the pre-set distance. ACC also includes the **Front Assist area monitoring system with City Emergency Braking System.** This detects critical distances, warns of hazardous situations and when necessary, triggers emergency braking.

03 High Beam Assist. Available as an option, High Beam Assist automatically dips the headlights and prevents dazzle for oncoming vehicles, or vehicles travelling ahead. At night time and at speeds of above 60km/h, the system automatically switches the headlights to high-beam.

Park Assist. This useful option aids parking into parallel and bay spaces. When reverse is engaged, the vehicle assumes control of the steering. All that's required of the driver is operate the clutch, accelerator and brake pedals.

Fog lights with integrated cornering lights. Available as an option, these help to illuminate curves and bends in the road ahead where the vehicle is turning.

Brake Assist. Fitted as standard, the system registers the speed at which the brake pedal is pressed. During emergency braking, it ensures full brake pressure is applied more quickly.

Cruise control including speed limiter. Fitted as standard, it maintains the selected speed, or limits the top speed to a value set by the driver.

Rear-view camera. Displays a clear view behind the vehicle which aids parking. The rear-view camera is only available as an option in combination with a tailgate.

Driver Alert System. This useful option registers deviation from normal steering patterns and uses visual and acoustic warnings to recommend that the driver takes a break.

Airbags. Driver and front passenger front and curtain airbags are standard for the first time. As are curtain airbags for rear passengers. They offer occupants the best possible protection in the event of head-on or side impacts. When carrying small children, the front passenger airbag can be deactivated.

Needs a little. Gives a lot. A new generation of engines with the Euro 6 emissions standard.

The new TDI and TSI engines.

Powerful, economical and kind to the environment, our new range of Euro 6 TDI common-rail direct injection diesel engines and TSI petrol engines offer various levels of performance and an abundance of torque. The 102HP TDI can be mated to either a 5-speed manual gearbox or 7-speed dual clutch direct shift gearbox (DSG). The range topping 150HP TDI comes with a choice of 6-speed manual or 6-speed DSG. Both petrol engines can be mated to a manual gearbox, while the 125HP TSI is also available with a 7-speed DSG gearbox. Whichever engine or gearbox you choose, all offer excellent economy, low CO₂ emissions and guarantee effortless progress.

2.0 LITRE TDI 75kW (102HP)

Average consumption: 4.4 l/100km.
CO₂ emissions: 123g/km.

2.0 LITRE TDI 110kW (150HP)

Average consumption: 4.9 l/100km.
CO₂ emissions: 133g/km.

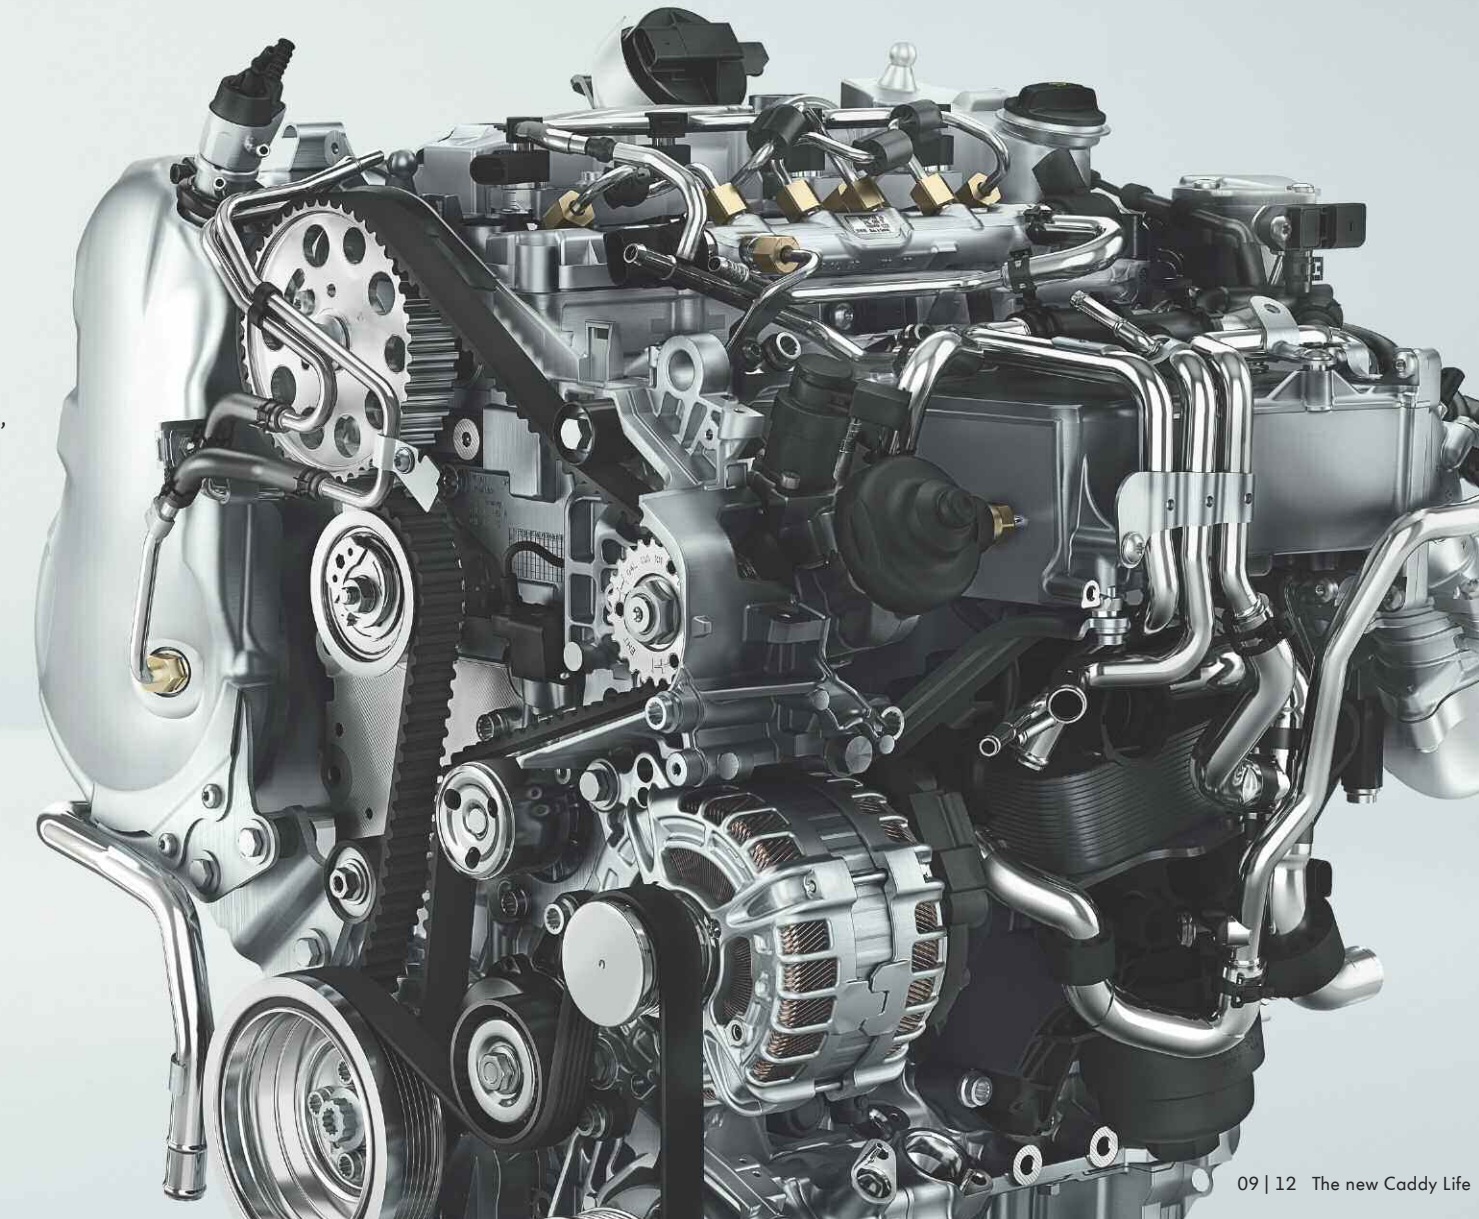

1.2 LITRE TSI 62kW (84HP)

Average consumption: 5.5 l/100km.
CO₂ emissions: 127g/km.

1.4 LITRE TSI 92kW (125HP)

Average consumption: 5.8 l/100km.
CO₂ emissions: 133g/km.

The new Caddy Life features an economical generation of new engines designed to meet the stringent Euro 6 emissions standard. All Euro 6 engines include BlueMotion Technology as standard – consisting of Start/Stop, regenerative braking and low rolling resistance tyres. However you use your new Caddy Life, this benefits both your pocket and the environment.

Standard equipment for new Caddy Life and Caddy Maxi Life.

- Standard across the range.

Trendline equipment.

Audio and communications.

 - Composition Colour radio system including AUX-IN, SD card slot, MP3 compatible CD player, six speakers and Bluetooth®.

Interior – cab area.

 - Carpet floor covering.
 - Centre armrest between driver and front passenger seats.
 - Climatic manually controlled air conditioning with dust and pollen filter and air recirculation.
 - Digital clock.
 - Dimmable dashboard illumination.
 - Driver's seat with height, reach and rake adjustment.
 - Electric front windows.
 - Four drinks holders and storage compartment in centre console.
 - Interior light in headlining.
 - ‘Kutamo’ cloth upholstery.
 - Leather steering wheel, gearknob and gaiter.
 - Lockable glovebox with illumination.
 - Passenger seat with reach and rake adjustment.
 - Reach and rake adjustable steering column.
 - Rear-view mirror with anti-dazzle function.
 - Servotronic speed-related power-assisted steering.
 - Trip computer with multi-function display.
 - Twin sun visors with vanity mirrors.
 - Under-seat storage compartment below driver and front passenger seats.
 - 8-way adjustment to driver and front passenger seats, including lumbar support.
 - 12v sockets x 3 – dashboard front, dashboard top tray and luggage compartment.

Interior – passenger area.

 - Carpet floor covering.
 - Folding luggage compartment cover.
 - Four overhead nets.
 - ‘Kutamo’ cloth upholstery.
 - Six load-lashing rings.
- Three-seat bench, split/folding and removable in first rear row, with ISOFIX mountings to outer seats.
 - Two door-activated interior lights.

Exterior.

 - Body-coloured door mirrors and handles.
 - Body-coloured front and rear bumpers.
 - Body-coloured protective side strips.
 - Electrically heated and adjustable door mirrors.
 - Fixed side windows in second rear row.
 - Front fog lights.
 - Heat insulating glass.
 - Radiator grille with three chrome finishing strips.
 - Roof rails in Black.
 - Sliding doors to rear passenger compartment, with sliding windows and child locks.
 - Tailgate with heated window and wash-wipe.
 - 60-litre fuel tank.

Safety and security.

 - Airbags – driver and front passenger (with passenger deactivation), front side and curtain head protection to front and second row.
 - Anti-lock Braking System (ABS).
 - Automatic hazard light activation under emergency braking.
 - Electronic Brakeforce Distribution (EBD).
 - Electronic Differential lock (EDL).
 - Electric seatbelt tensioners.
 - Electronic Stabilisation Programme (ESP).
 - Engine drag torque control (MSR).
 - Halogen main headlights with range control and daytime running lights.
 - Height-adjustable head restraints.
 - Remote central locking with deadlocks, interior locking and two remote keys.
 - Seatbelt warning when not engaged.
 - Traction control system.
 - Visibility pack including auto-dimming rear-view mirror, rain sensors with automatic wipers and intermittent control.

- Wheels and tyres.**

 - 16" steel wheels with full size wheel trims.
 - Full size spare wheel.
 - Tool kit and jack.

BlueMotion Technology.

 - Low rolling resistance tyres.
 - Regenerative braking.
 - Start/Stop system.

Equipment in addition to Trendline.

Beach equipment.

 - 15" ‘Caloundra’ alloy wheels (102HP).
 - 16" ‘Bendigo’ alloy wheels (150HP).
 - Backrest release for front seats.
 - Comfort seats (front) with folding backrest.
 - Composition Media radio system.
 - Curtains and storage bags on side rear windows.
 - Electronic release of tailgate from inside.
 - Folding mattress.
 - Folding table on backrest of front seats.
 - LED spotlights in tailgate.
 - Magnetic torches.
 - ‘Pilion’ cloth upholstery.
 - Rear parking sensors.

Equipment in addition to Trendline.

Highline equipment.

 - 16" ‘Fortaleza’ alloy wheels.
 - Alcantara® upholstery.
 - ‘Carbon Anthracite’ decorative inserts.
 - Centre console armrest with height and longitudinal adjustment.
 - Climatronic air conditioning.
 - Comfort seats (front) with folding backrest.
 - Composition Media radio system with six speakers and USB input.
 - Driver Alert System.
 - Folding table on backrest of front seats.
 - Halogen H7 headlamps.
- Headlamp washer system.
 - Heated front seats.
 - Interior chrome pack including light switch, mirror adjustment, window lift switches and handbrake lever button.
 - Leather gearknob, gaiter and handbrake lever.
 - Leather multi-function steering wheel.
 - Lumbar support on front seats.
 - Multi-function display ‘Plus’.
 - Privacy glass in rear.
 - Rear Park Distance Control with rear-view camera.
 - Roof rails in Silver.
 - Side turn signal with chrome trim.
 - Washer fluid level indicator.

Equipment in addition to Trendline.

Alltrack equipment.

 - 17" ‘Quito’ alloy wheels.
 - ‘7Summits’ cloth upholstery.
 - Alloy spare wheel.
 - Bi-xenon headlights with LED daytime running lights.
 - ‘Carbon Square Dark’ decorative inserts.
 - Centre console armrest with height and longitudinal adjustment.
 - Discover Media satellite navigation system with six speakers.
 - Driver Alert System.
 - Folding table on backrest of front seats.
 - Height-adjustable front seats.
 - Lockable wheel bolts.
 - Lumbar support on front seats.
 - Multi-function display ‘Plus’.
 - Multi-function steering wheel.
 - Park Assist with front and rear parking sensors and rear-view camera.
 - Privacy glass in rear.
 - Roof rails in Silver.

New wheels.

‘Caloundra’ alloy wheels.
6J x 15 with 195/65 R15 tyres.

‘Bendigo’ alloy wheels.
6J x 16 with 205/55 R16 tyres.

‘Fortaleza’ alloy wheels.
6J x 16 with 205/55 R16 tyres.

Paint and upholstery.

Solid paint finishes.	Candy White. Solid paint.	Cherry Red. Solid paint.	Pearl effect paint finishes. ¹	Deep Black. Pearl effect paint.
